Historic & Majestic

Set apart in its own secluded estate, just east of Bowral in the beautiful Southern Highlands of New South Wales, **Milton Park Country House Hotel** offers luxurious accommodation, fine cuisine and impeccable yet discreet service in an atmosphere of relaxed sophistication.

The heart of the Hotel is a grand mansion, built at the turn of the twentieth century by the Hordern family of retail and pastoral fame. The formal gardens, laid out by Mary Hordern are considered to be amongst Australia's finest.

On weekends, guests gather to escape the rigors of city life, just as they have for over 100 years.
